FREDO BLACK SHINE
(60x120cm)

A modern living room interior featuring a long, low fireplace with a grey marble surround and a fire burning inside. To the left, two potted plants, one in a white pot and one in a red pot, sit on a light-colored marble floor. To the right, a light grey sofa is positioned against the wall, with a white lamp and a small tray on a dark coffee table in front of it. The background wall is made of large, grey marble tiles.

Thank you!!
